

HonView Touch app for viewing Webcams with Internet Explorer

Step by step instructions for getting the app set-up

The only web browser you can use to view the Webcams is **Internet Explorer**

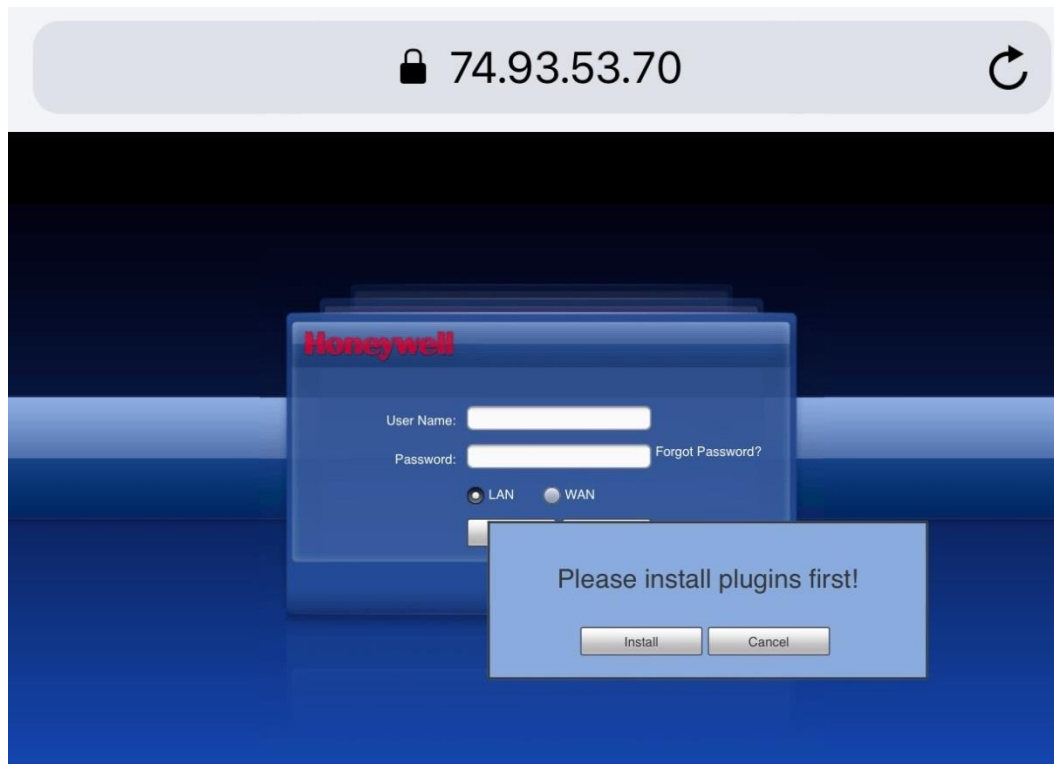

Step 1

Follow the link by clicking on the
View Webcams link

Step 2

When you get to the login page you will need to install the plugin

Step 3

Now check the box & click allow on the next pop up

Step 4

Enter the Username: *Unleashed*
& Password: *Lovinit2!*

The image shows a Honeywell login dialog box with a blue gradient background. The Honeywell logo is in red at the top left. Below it are two text input fields: 'User Name:' and 'Password:'. To the right of the password field is a link that says 'Forgot Password?'. Below the input fields are two radio buttons labeled 'LAN' and 'WAN'. At the bottom are two buttons: 'Login' and 'Cancel'.
